wood Scheme, But Loses-Special Election Is Called For Jan. 3.

night, the city council last even-ing adopted the report of the special A. position seemed strong, but it dwincil chamber, but peace came at the end been working on the matter, he said, of the fight. Councilman Wood led the and they had a better show of getting

When the matter came up for con-ideration Fernstrom moved that the date for the special election on the bond ssue be changed from Dec. 20 to Jan. 3.

This was agreed to. Councilman Wood next offered an emendment cutting out all that part of the report providing for the purchase f Spring creek and the item of \$95,000 \$40,000, and the extension of the conduit to Little Cottonwood at a cos of \$105,000. The speech of Councilman Wood in support of his amendmen epitomizes the opposition to the propo and for that reason it is given here-

Speech by Councilman Wood.

Mr. Wood said: Now, speaking to the motion

work. He said in acquiring the water proposed by this Spring from the canyons the city did not favor pumping plant and pipe line, \$80,000 for power station, making a total of \$255,000. Then we are controlled with the said in acquiring the water from the canyons the city did not favor leaving the farmers without water—no one wished to make a desert of Salt Lake valley.

Black conceded that the committee

WASHINGTON, Nov. 21.—Attorney carry into effect certain plans which \$6,600 for pumping, and then the water the president and he have formulated. can only be delivered to a very small ortion of the lower part of the city.

Question as to Spring Creek.

But two other serious objections appear. After months of work the committee and engineer prepare a report; they had evidently examined the title and purity of this Spring creek water, but at the last minute, too late to write another report evidently they bring us Boston. It was stated in this connection that Mr. Moody had formed a law partnership that was congenial and advantageous in all respects. This was given as his only reason for retiring from public life.

Likes the Work.

It was known for some time that the office of attorney general of the United States was entirely to Mr. Moody's liking, and as it was also known that President Roosevelt desired that Mr. Moody should continue in the cabinet. The announcement made today was not surprising.

It is understood that the president and Mr. Moody are in perfect accord in the department of the proposed in the amendment of the report, evidently, they bring us have been determined on by the president for the next administration. Mr. Hay will continue at the head of the state department, Mr. Taft at the head of the war C-partment. Mr. Melcalf at the head of the department of commerce and labor, Mr. Wilson at the head of the department of agriculture and National Chairman George B. Cortelyou will be postmaster general after the 4th of next March. It is expected also that Mr. Shaw will continue as so that Mr. Shaw will continue as the head of the state department of commerce and labor, Mr. Wilson at the head of the department of agriculture and National Chairman George B. Cortelyou will be postmaster general after the 4th of next March. It is expected also that Mr. Shaw will continue as the head of the march of the interior, but Secretary of the treasury and Mr. Morton as secretary of the interior, but Secretary of the ameadment, do now what the committee proposes to do now wha
